Film people holding their breath
Film something being relinquished
Film ritual
Film wild dogs in the street
Film disorientation and confusion
Film by happenstance
Film people left behind
Film sociopaths
Film things set on fire
Film curfew
Film people disappearing
Film without style

Film on a lonely road at dawn
Film boredom
Film without cause or effect
Film without progression
Film inverted picturesque scenes
Film on a cargo ship
Film without interest
Film without a beginning
Film a wall being built
Film a scene on a private jet
Film without thinking
Film a large chain being fabricated
Film in prohibited areas
Film unlikely events
Film for five seconds every ten minutes
Film with as little movement as possible
Film in a mine deep below the surface
Film what things were like last year
Film across the surface of a floor in detail
Film things that are hard to explain
Film circumstances beyond control
Film people sucking their fingers
Film someone hammering on a door relentlessly
Film exhausted forms
Film people falling
Film wherever it feels good to film
Film hovering or floating objects
Film sleepwalkers
Film things that hum or vibrate
Film heartache
Film in a forgotten place
Film the most haunting thing
Film the emptiness
Film sedentary/nomadic contrasts
Film every surface within a given radius
Film quicksand
Film artificial paradises
Film disused routes
Film rocks being thrown
Film things tipping over the edge
Film strangers
Film temporary buildings/structures
Film signs
Film empty stages in great detail
Film using only a torch as lighting
Film domestic interactions in the desert
Film tunnels being cut through rock
Film insomniacs talking about sleep
Film without focus
Film without using events
Film distortions and mutations
Film using mirrors in every shot
Film people in trance-like states
Film a sandstorm
Film traces
Film something constantly changing direction
Film complete madness
Film without knowing why
Film the perimeter fences of military installations
Film from the hip
Film things being secured before a storm
Film lullabies being sung
Film the first line from ten different books
Film cars approaching in the night
Film a slow drowning
Film screeching feedback in the mountains
Film various exits
Film padlocks being forced open
Film the wires being cut
Film the wrong place at the wrong time
Film everything twice
Film one thing enveloping another
